We're celebrating the 25th

anniversary of WISE! We've got a few events lined up. Our first event: Join us at the [Tea Store](#) for our next meeting on March 13 – proceeds from the sale of goods will go to WISE. We appreciate your support. Come and join us.

Heroes for Tomorrow Program Launch

We are super excited to launch our Heroes for Tomorrow program at Severn Public School on March 21st. We will be providing 60 young boys between the ages of 8 and 12, an interactive workshop on gender notions of masculinity and its relation to violence against women.

The workshop explores unrealistic expectations of boys and men, definition of violence, the culture of violence, power of language, and how to be heroes in our own everyday lives.
